

# THE VILLAGE

## A note from Zach

While we were in Minneapolis for the middle school mission trip we stayed at [Valley Community Presbyterian Church](#), and I have never been the recipient of such generosity and thoughtfulness while on a mission trip. They made dinner for us the first night we were there. They made lunch for us on the first day. Did we break something while we were there? [A small thing](#), but, yes. And they were grace-ful to us. It has reminded me to strive to be more hospitable in my life - to reach out for the sake of others, be accommodating, and giving. I am hopeful it is a lesson I will not forget as we get into the [heat of summer](#). My hope is that we are all both the recipients and givers of grace-ful [hospitality](#).
