

THE VILLAGE

A note from Zach

Welcome to summer! School is out and it's a whole new life for a few months. Maybe you have a [summer job](#), maybe you have a lot of summer activities, or maybe you get a chance to sleep in and catch up on some [much needed rest](#). We recognize that summer marches to a different beat so we have a host of summer programs during these hot weeks. Check out the calendar on the next page, and don't forget about our summer trips as well. Summer is one of the best times to connect, get to know people, and strike out for a few [adventures](#) along the way. We hope to see you along the way!
