THE YELL

A note from **ZACH**

February is always a busy time. We just returned from the annual ski trip, and we are gearing up for the [Superbowl](#) party, a game night with middle school, volunteering over the long President's Weekend, a grade dinner for our juniors, and of course ending with the annual [Chili Cookoff](#). There's a lot happening, but our hope is that you will be able to find something that interests you and connect. But, more than that, it is our hope that you continue to find God's presence in both [big and small](#) ways here at the church and in your [daily life](#). God is surprising, and more so when we take some time to make space to [connect](#), whether that is connecting to God in particular or with each other. So, take a look at what we have going on, but take a look at your own schedule and see where God might have room to show up.
